

CERTIFICATE OF REGISTRATION

Information Security Management System – ISO/IEC 27001:2022

Mastermind Assurance, LLC hereby confirms, as a result of its certification decision according to ISO/IEC 17021-1, that the organization maintains a management system conforming to the requirements of ISO/IEC 27001:2022

Honeywell International Inc.

Scope

The scope of the management system at Honeywell International and its legal entities includes all activities, processes, and assets related to the development, implementation, and maintenance of information security. The management system extends to all products and their development at the listed locations, as well as to additional product areas explicitly identified as being under the operational control of the organization.

These activities are governed by the implemented controls in accordance with the organizational Statement of Applicability.

Statement of Applicability

Version:

September 10, 2025

Authorized By:

David Forman
Chief Executive Officer

Issuance Date

November 7, 2025

Original Registration Date

November 22, 2024

Expiration Date

November 21, 2027

Certification pertains exclusively to the specified management system and does not broaden the scope of the conformity decision to encompass proprietary products, processes, or services. References to sources of controls sets applied within the Statement of Applicability do not represent certification thereof. A unique identification code incorporated in this certificate, along with the certification body's seal and the accreditation mark, must not be cited in advertisements or promotional materials tailored to specific products or services. The certified organization agrees to continue to comply with the obligations detailed within its certificate agreement and in conformity with the underlying schemes comprising the certification criteria. Mastermind Assurance, LLC maintains its operations at 44 Milton Avenue #1026, Alpharetta, Georgia, 30009, United States. This certificate of registration is issued without any explicit or implicit representations or warranties, including but not limited to assurances regarding the qualification or suitability of any particular product.

The management system is applicable to the explicitly identified product and service areas under the control of the certified organization, including all associated activities related to the development, implementation, and maintenance of site-specific services and products at the listed certificate locations.
